Virginia Bass, Chair
Humboldt County
Local Agency Formation Commission
1125 16th Street, Suite 202
Arcata, CA 95521

Dear Chairman Bass:

Pursuant to Education Code 35700.5, this letter is to inform you of the proposed boundary change between Green Point School District and Blue Lake Union School District in Humboldt County.

On February 13, 2015 I received petitions signed by the majority of members of the Green Point School District and Blue Lake Union School District governing boards. The petitions request a territory transfer of the Titlow Hill area from Blue Lake Union School District to the Green Point School District.

The next steps will be for the County Committee on School District Organization to begin its study of the proposal, hold public hearings in the affected territories, and make a recommendation to approve or disapprove the territory transfer. Per Education Code 35709, the County Committee has the authority to approve this transfer without a public election as long as the area transferred constitutes less than 10% of the assessed valuation of the original district from which the territory is being transferred and the governing boards of both districts consent to the transfer.

The next meeting of the County Committee is scheduled for April 13, 2015 at 5:30 p.m. in the Humboldt County Office of Education Board Room at 901 Myrtle Avenue, Eureka. Please contact my Executive Assistant, Renae Will, if you would like to receive agendas and minutes of the meeting or if you have any questions regarding the district reorganization proposal or process.

Sincerely,

Garry T. Eagles, Ph.D.
Superintendent of Schools
