The Commission will receive an informational presentation from CALAFCO Executive Director Pamela Miller.

The California Association of Local Agency Formation Commissions (CALAFCO) provides statewide coordination of LAFCo activities, serves as a resource to the Legislature and other bodies, and offers a structure for sharing information among the various LAFCOs and other governmental agencies.

DISCUSSION

CALAFCO Executive Director Pamela Miller is visiting the North Coast and will present her organization's activities, training opportunities, and legislative efforts, and discuss what's happening statewide. The presentation will include an overview of CALAFCO including: what CALAFCO does, formation, membership, Board of directors and staff, operational policies, strategic plan, and member services.

CALAFCO'S mission is to provide educational, information sharing and technical support for its members by serving as a resource for, and by collaborating with, the public, state legislative and executive branches, and other organizations, for the purpose of discouraging urban sprawl, preserving open-space and prime agricultural lands, and encouraging orderly local agency growth and development.
