

AGENDA ITEM 8A

MEETING: September 19, 2018
TO: Humboldt LAFCo Commissioners
FROM: Colette Metz, Executive Officer
SUBJECT: **Status of Current and Future Proposals**
The Commission will receive a report summarizing active on future proposals. This report is being presented for information only.

BACKGROUND

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 delegates Local Agency Formation Commissions (LAFCOs) with regulatory and planning duties to coordinate the logical formation and development of local governmental agencies. This includes approving or disapproving proposals for annexation, sphere of influence amendments, and outside agency service requests.

DISCUSSION

Following is a summary of active and future proposals.

Active Proposals

There are currently four (4) active applications on file with the Commission, as follows:

City of Eureka Brainard Annexation

Awaiting conditions compliance. A Local Coastal Program (LCP) amendment to move the urban limit line will be reviewed by the Eureka City Council on September 18th and subsequently submitted to the Coastal Commission for approval. A one-year time extension for LAFCo proceedings will likely be reviewed by the LAFCo Commission in November.

City of Trinidad Extension of Water Services to 207 Quarry Road

Awaiting conditions compliance, including written agreement for service.

Fieldbrook Glendale CSD Southern Boundary Annexation

Complete; certificate of completion recorded on August 21st.

Humboldt CSD McKay Ranch Service Extension

Complete; written service agreement between property owner and HCSD recorded on September 6th.

Humboldt CSD Langlois Lane Annexation

Awaiting conditions compliance, including map and boundary description of the annexation area.

Samoa Peninsula Fire Protection District Reorganization to a CSD

See Agenda Item 6A.

Southern Humboldt Community Healthcare District Detachment
Complete.

Future Proposals

There are several potential new proposals to the Commission in the near future based on discussions with proponents. A summary of these anticipated proposals follows.

Fires Services Coordination Efforts

A portion of Measure Z funds granted to the Humboldt County Fire Chiefs Association is focused on sustainable community fire protection to address the lack of complete community coverage and sustainable revenue. A series of meetings have been held with fire-related districts within the "Avenues Study Area" that includes the response areas from Phillipsville to Redcrest – as well as Salmon Creek, Miranda, Fruitland Ridge, Myers Flat, Shively and Weott. Currently, discussions are ongoing regarding the potential for forming an Avenue of the Giants Fire Protection District with multiple fire stations and coordinated response/training. In addition, LAFCo staff is providing pre-application technical assistance to Rio Dell Fire and Redway Fire, both of which are exploring annexation. However, many fire related districts have stated that annexation cannot proceed without a share of property tax revenue. The County has no master tax sharing agreement or clear policy with respect to fire related districts. For this reason, planning efforts related to fire district annexations, particularly in Southern Humboldt, have stalled. LAFCo staff anticipates the Board of Supervisors will be reviewing and considering the County's policy on tax sharing agreements and support for addressing the problem described above in the coming months.

City of Arcata Creekside Homes Annexation

The project proposes annexation, rezoning, and subdivision of parcel 505-161-011 located at 2000 Foster Avenue near the Foster Avenue and "Q" Street intersection. An EIR is being prepared for the project with the City of Arcata as lead agency.

Humboldt CSD McKay Ranch Annexation

Kramer Properties, which owns McKay Ranch (80-acres around Redwoods Fields in Cutten), has submitted a tentative map with Humboldt County for future residential and commercial development. The property is currently forestland was split off from the McKay Tract in 1996. The property is proposed for phased development of a 320-unit, mixed-use subdivision including workforce housing apartment units, affordable single family parcels, townhouse units, condominium units, single family parcels, and neighborhood commercial space. Annexation to the Humboldt CSD would be required for the provision of water and wastewater services to the site. Currently an EIR is being prepared for the project with Humboldt County as lead agency.

Humboldt CSD Mid McKay Annexation

Green Diamond Resources Company has made application to Humboldt County Building and Planning for a minor subdivision in the Cutten area that will presumably require annexation into the Humboldt CSD as a condition of subdivision approval.

RECOMMENDATION

Staff recommends the Commission receive and file this report.
