Summary:

Under the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, current law requires that an applicant seeking a change of organization or reorganization submit a plan for providing services within the affected territory that includes, among other requirements, an enumeration and description of the services to be extended to the affected territory and an indication of when those services can feasibly be extended. This bill would specify that the plan is required to also include specific information regarding services currently provided to the affected territory, as applicable, and make related changes.

Subject: Annexation Proceedings

CALAFCO Comments: This bill makes a fix to Gov. Code Sec. 56653 based on the court finding in the case of The City of Patterson v. Turlock Irrigation District. The court found that because the services were already being provided via an out of area service agreement, the application for annexation was deemed incomplete because it was not a new service to be provided. By making the fix in statute, any pending/future annexation for a territory that is already receiving services via an out of area service agreement will not be in jeopardy.

As amended, corrections were made to: 56653(b)(3) reading "proposed" rather than "provided", and in Government Code Section 56857 an exemption added pursuant to Public Utilities Code Section 9608 for territory already receiving electrical service under a service area agreement approved by the Public Utilities Commission pursuant to Public Utilities Code Section 9608.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides for the selection of representatives of independent special districts on each local agency formation commission by an independent special district selection committee pursuant to a nomination and election process. This bill would additionally require the executive officer to call and hold a meeting of the special district selection committee upon the adoption of a resolution of intention by the committee relating to proceedings for representation of independent special districts upon the commission pursuant to specified law.

CALAFCO Comments: This bill is co-sponsored by CALAFCO and CSDA. As amended, the bill amends code Sec. 56332.5 to streamline the process of seating special districts on LAFCo by mirroring current statute 56332 (the process for electing special district representatives into the special district seats). Keeping the process voluntary, it allows for voting by mail whether or not the district wants to have special districts represented on LAFCo. Further, it will allow for the consolidation of that question with the independent special district selection committee appointment to a countywide redevelopment agency oversight board pursuant to Health and Safety Code 34179 (j)(3).

AB 1361 (Garcia, Eduardo D) Municipal water districts: water service: Indian tribes.

Current Text: Chaptered: 10/3/2017 [Text](#)

Introduced: 2/17/2017

Last Amended: 9/8/2017

Status: 10/3/2017-**Approved by the Governor**. Chaptered by Secretary of State - Chapter 449, Statutes of 2017.

Summary:

The Municipal Water District Law of 1911 provides for the formation of municipal water districts and grants to those districts specified powers. Current law permits a district to acquire, control, distribute, store, spread, sink, treat, purify, recycle, recapture, and salvage any water for the beneficial use of the district, its inhabitants, or the owners of rights to water in the district. Current law, upon the request of certain Indian tribes and the satisfaction of certain conditions, requires a district to provide service of water at substantially the same terms applicable to the customers of the district to the Indian tribe's lands that are not within a district, as prescribed. This bill would authorize a district to apply to the applicable local agency formation commission to provide this service of water to Indian lands, as defined, that are not within the district.

Subject: Water

CALAFCO Comments: As amended, this bill allows water districts to provide service to an Indian tribe's lands that are not within the district boundaries without going through the current statutory process of approval by the local agency formation commission (LAFCo). Amendments were taken by the author during the Senate Governance and Finance Committee hearing July 19 that include LAFCo's ability to apply certain terms and conditions to the application by the water agency and limits the land to be served to lands in trust. However, CALAFCO still has a number of concerns and will continue to work with the author and sponsor.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides the exclusive authority and procedure for the initiation, conduct, and completion of changes of organization and reorganization for cities and districts, as specified. The act defines various terms for these purposes, including the term "contiguous," which the act defines as territory adjacent to territory within the local agency. This bill would instead define "contiguous" as territory that abuts or shares a common boundary with territory within a local agency.

SB 37 (Roth D) Local government finance: property tax revenue allocations: vehicle license fee adjustments.

Current Text: Introduced: 12/5/2016 [Text](#)

Introduced: 12/5/2016

Status: 5/26/2017-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/25/2017)(May be acted upon Jan 2018)

1st House				2nd House							

Summary:

Beginning with the 2004–05 fiscal year and for each fiscal year thereafter, existing law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions for a city incorporating after January 1, 2004, and on or before January 1, 2012, for the 2017–18 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

Position: Support

Subject: Financial Viability of Agencies, Tax Allocation

CALAFCO Comments: This bill is identical to SB 817 (Roth, 2016), SB 25 (Roth, 2015) and SB 69 (Roth, 2014) with the exception of the chaptering out language included in the 2016 version (which addressed the companion bill AB 2277 (Melendez, 2016)). The bill calls for reinstatement of the VLF through ERAF for cities that incorporated between January 1, 2004 and January 1, 2012. There are no provisions for back payments for lost revenue, but the bill does reinstate future payments beginning in the 2017/18 year for cities that incorporated between 1-1-2004 and 1-1-2012.

Summary:

Current law requires a report of an audit of a special district's accounts and records made by a certified public accountant or public accountant to be filed with the Controller and the county auditor of the county in which the special district is located within 12 months of the end of the fiscal year or years under examination. This bill would instead require special districts defined by a specified provision to file those audit reports with the Controller and special districts defined by another specified provision to file those audit reports with the Controller and with the local agency formation commission of either the county in which the special district is located or, if the special district is located in 2 or more counties, with each local agency formation commission within each county in which the district is located.

[CALAFCO Oppose Unless Amended Letter](#)

Position: Support

Subject: CKH General Procedures

CALAFCO Comments: As amended on July 17, this bill authorizes LAFCo to dissolve inactive districts (after determining they meet the criteria set forth in the statute) by holding one hearing, without conducting a special study and with the waiver of protest proceedings. The State Controller is required to notify LAFCo when a district is inactive. LAFCo then has 90 days to initiate dissolution, and another 90 days in which to hold the hearing to dissolve. Should the LAFCo

determine the district does not meet the criteria, no dissolution occurs and LAFCo notifies the Controller the district is not inactive. Should the LAFCo determine the district does meet the criteria then it is ordered to be dissolved. The bill also requires a district to provide LAFCo with their audits at the same time they provide them to the Controller.

All of our issues have been resolved with the current version and as a result our position has been changed from Oppose Unless Amended to Support.
