

**HUMBOLDT LOCAL AGENCY FORMATION COMMISSION
NOTICE OF PUBLIC HEARINGS**

NOTICE IS HEREBY GIVEN that the Humboldt Local Agency Formation Commission (LAFCo) will conduct public hearings on Wednesday, July 15, 2015, at 9:00 a.m. in the Supervisors Chamber of the Humboldt County Courthouse, 825 Fifth Street, Eureka, California, to consider the following:

1) Annexation of Out of District Fire Service Response Areas and Areas Served by Water & Wastewater to the Fieldbrook-Glendale Community Services District (F-GCSD)

The Commission will consider a proposal, submitted by the F-GCSD for a sphere of influence amendment and corresponding annexation of approximately 3,244 acres of land (64 parcels) located outside the boundaries that is currently served by the District. The F-GCSD would establish service zones by ordinance to clearly define the areas to which water, wastewater and fire protection services are provided. The annexation of the Sunny Acres/Stolpe Lane area (301 acres), as proposed, would require detachment from the Arcata Fire Protection District prior to annexation to the F-GCSD.

2) Annexation of Out of District Fire Service Response Areas to the Telegraph Ridge Fire Protection District (TRFPD)

The Commission will consider a proposal, submitted by the TRFPD, for a sphere of influence amendment and corresponding annexation of approximately 8,911 acres of land (155 parcels) located outside the boundaries that is currently served by the District. The TRFPD currently provides "good will service" to the proposed annexation areas and has responded to calls for service in these areas since the time the district was formed.

3) Countywide Recreation and Park Services Municipal Service Review

The Commission will consider adopting a draft Countywide Recreation and Park Services Municipal Service Review and approving report recommendations, including updating the spheres of influence for the Northern Humboldt and the Rohnerville Community Recreation and Park Districts.

All interested persons have a right to attend the public hearing and to be heard regarding the listed action. Pursuant to state law, only issues raised at the public hearing described in this notice or in written correspondence delivered to the Commission at or prior to the public hearing may be raised in any legal challenge to Commission actions.
