A Message from the Executive Director

Whirlwind Journey

There is something about December that soothes my soul. Maybe it's the changing weather, the holiday sights and sounds, the children oozing with excitement, or maybe it is just knowing that the upcoming change of years allows a little downtime and an opportunity to reflect, rejuvenate, and regrow. That is particularly true this year as December also marks my tenth month as the CALAFCO Executive Director. It has been a bit of a whirlwind journey, but I have been SO glad to have you all by my side.

With the disruption of the pandemic, it's no wonder that the last two years have been challenging for CALAFCO – as with many nonprofits across the country. However, the experience caused us not only to re-examine how we conduct business but to streamline some areas. While it was a painful period, we survived, adjusted, and even developed some new offerings – all in spite of the global conditions.

Then, just when we thought we were normalizing, the year took a bumpy turn due to a spike in COVID-19 cases. That not only forced the cancellation of the spring workshop but also transferred some of its financial obligations to the fall conference. However, despite that, we ended up hosting a successful and well-received conference. Simply put, that success is due to the army of volunteers who assisted in the planning, the presentations, the staffing, and the fundraising that all helped get us there. Because of those combined efforts, we actually made a small profit of approximately \$5,000 on the conference – something I did not think possible back in May. Truly an astounding success, this was a stellar example of the teamwork that made the dream work! Thank you to everyone who offered a helping hand to make it work. (I don't dare try to name you all for fear of missing someone!)

But, that's behind us and we are already looking forward to building on that success in 2023. Of course, we have our next Staff Workshop planned for April 26th-28th in Murphys, California. The planning committee is currently being formed and we will, again, need many hands. Please contact Michelle McIntyre if you would like to help out. Similarly, if you have an idea for a session, please send that to Michelle and me as soon as possible so that the committee has ample time to consider it. Emails to Michelle should be sent to mmcintyre@placer.ca.gov while those to me should go to rlaroch@calafco.org. Look for a flyer for that workshop to go out in January.

Other things expected to occur in 2023 are the selection of a new accountant for CALAFCO, and the build-out of a new website. The need to identify a new accountant rose in June of this year when Jim Gladfelter, our current C.P.A., informed us that he is partially retiring and will no longer be preparing tax returns after this year. Since that preparation is a substantial portion of what he does for CALAFCO, the Board approved an RFP seeking a new accountant with nonprofit expertise. That RFP was issued on December 11th and is currently open. The RFP was transmitted to the EOs who, in turn, have distributed it to their networks and I'm pleased to report

FROM THE BOARD CHAIR

Dear
CALAFCO members,

As the newly elected Board Chair, let me first say how honored and proud I am to have been selected as your Board Chair. I have always recognized the importance of the work that LAFCos do and, by extension, the importance of the support that CALAFCO provides.

Secondly, I want to offer my sincere thanks to my fellow Board members who elected me to this position. Your trust is appreciated and I, of course, will always do my best to be a thoughtful leader and good steward for CALAFCO.

And, lastly, I want to take a moment to recognize Anita Paque, our former Board Chair, for her leadership. While all of the Board positions come at the expense of one's time, the Board Chair position is more intense, so thank you, Anita, for your service to the Association during a difficult year!

As we close the door on 2022, I want to wish Happy Holidays to everyone. I look forward to a rewarding 2023 at CALAFCO!

CONFERENCE CANDIDS

Newport Beach, October, 2022

FAREWELL to Two Contra Costa LAFCo Commissioners - Rob Schroder and Tom Butt

Submitted by Contra Costa LAFCo

Following 20 years as a Contra Costa LAFCo Commissioner, six years as Martinez City Council member, and 20 years as Mayor of the City of Martinez, Rob Schroder is retiring. During his tenure, Rob served on various committees and regional government agencies and boards, including the Contra Costa Transportation Authority (CTTA) (22 years), Central Contra Costa Identification Bureau (19 years), Marin Clean Energy (MCE) (3 years), and was an active member of the Contra Costa Mayors Conference. Commissioner Schroder began his LAFCo career in 2003 and is currently one of our longest serving Commissioners. During Rob's tenure, LAFCo processed 330 applications, including four district formations and seven district dissolutions, and most recently, a large fire district reorganization. LAFCo also completed 1st and 2nd round municipal service reviews (MSRs)/sphere of influence (SOI) updates covering all municipal services.

Commissioner Schroder attended many CALAFCO conferences and says "serving as a LAFCo commissioner gave me an opportunity to understand the relationship between various governmental agencies and how the services they provide intertwine and rely on each other. The MSR process, although confusing when we first started the process many years ago, became a valuable tool in analyzing the efficient delivery of service and identifying deficiencies, areas, and entities that need to be improved or dissolved. Being a LAFCo commissioner made me a better Mayor with the knowledge of the annexation process and the efficient delivery of services."

Following nearly 12 years as a LAFCo Commissioner, 27 years as City of

IN MEMORIAM

It is with sadness that we report the passing of Riverside LAFCo Commissioner, Phil Williams, on November 20th.

Commissioner Williams was a Special District Member from the Elsinore Valley Municipal Water District and had served on that board since 2001. He was also a local real estate broker and lifelong resident of Lake Elsinore.

Known for his servant heart, he worked tirelessly with local, state, and federal agencies on behalf of his community.

CALAFCO sends its condolences to our colleagues at Riverside LAFCo and to Commissioner Williams' family and friends.

NEW Roles

BRIAN SPAUNHURST, New Fresno EO

Departing EO, David Fey, reported that Brian Spaunhurst was appointed in late May as his replacement. Somehow Brian got missed in the August newsletter but we are rectifying that omission now! Brian has thrown himself into the role and CALAFCO, and has attended the conference (where he could be seen serving time at the registration desk), and has also volunteered to serve on the Legislative Committee. Welcome aboard, Brian!

SHIVA FRENTZEN Appointed El Dorado EO

El Dorado LAFCo reported that its commission took action on September 28th to appoint Shiva Frentzen as Executive Officer. If Shiva's name is familiar, it's because she was previously an El Dorado LAFCo Commissioner who served on the CALAFCO Board of Directors. Welcome (again),

With **Anita Paque** rotating into the Immediate Past Chair position. Thank you to all for your service!

With those changes, the first "regular" Board meeting occurred on **December 9, 2022**, with Chair Connelly at the helm. At that time, the Board chose committee members for the new year (staff members for the Leg Committee had been appointed on October 21st.) Committees and members are:

*Continued in next column***CONFERENCE PLANNING COMMITTEE**

Gay Jones, Derek McGregor, Margie Mohler, Anita Paque (Chair), and Josh Susman.

Other matters on the Board's December 9th agenda included receipt of the Investment and Financial Reports for the First Quarter, adoption of the Board's meeting schedule for the next year, approval of an RFP for Accounting Services, and receipt of the Conflict of Interest forms, Legislative Committee report, and Conference Overview.

Speaking of the conference, we must express thanks and gratitude to Paul Novak (Los Angeles) and Carolyn Emery (Orange), for their extraordinary fundraising. Because of their efforts, the conference posted a small profit of approximately \$5,000 - despite the nearly \$32,000 in additional fees that we were obligated to pay due to the cancellation of the spring workshop. Hopefully, we can keep these efforts going next year!!

The last item of the meeting was a closed session evaluation of the Executive Director's (ED) performance. At its conclusion, the Board announced that the term of the ED's employment contract was extended to June 30, 2026, that they had formally approved a 4.9% cost of living increase (the allocation for which had been approved in April with the adopted budget) and, due to security concerns at the current CALAFCO office, approved the ED working remotely from any location, subject to approval by the Executive Committee. For full particulars of public items, please see the agenda packet.

The biennial Strategic Planning session is scheduled for February 16th at the Sacramento offices of Best Best & Krieger located at 500 Capitol Mall. The Board meeting will be held the next day (February 17th) at the same location.

All agendas, staff reports, and minutes can be found on the CALAFCO website at www.calafco.org. Any questions should be directed to the Executive Director at rlaroch@calafco.org.

HAPPY NEW YEAR

May your New Year be filled with exploration, discovery, growth, and just enough challenge to be interesting. Happy New Year!

CONTRA COSTA FAREWELLS

(Continued from page 4)

Richmond Council member, and the past eight years as the City's Mayor, Tom Butt is retiring. Tom served on multiple boards and committees including MCE, CCTA, San Francisco Bay Conservation and Development Commission, West Contra Costa Transportation Advisory Committee, Association of Bay Area Governments, US Conference of Mayors, Climate Mayors, League of California Cities, and was an active member of the Contra Costa Mayors Conference. Commissioner Butt notes that these regional and statewide appointments have been critical in bringing many benefits to the community including hundreds of millions of dollars in grants, public works projects, legislation, and a seat at the larger table. During Tom's tenure, LAFCo processed 95 applications, including numerous boundary changes/reorganizations, five dissolutions, and most recently, a large fire district reorganization and an out of agency service contract for fire services. During Commissioner Butt's tenure, LAFCo completed 1st and 2nd round MSRs/SOI updates covering all municipal services.

In 2019, both commissioners shared in receipt of CALAFCO's "Most Effective Commission" award. Contra Costa LAFCo Commissioners were recognized for their leadership, diligence, and endeavors to promote healthy and sustainable local agencies. Since 2010, Contra Costa LAFCo Commissioners assisted three special districts to improve their operations and transparency, encouraged several districts to revise its governance structure, reorganized one special district, and dissolved four special districts.

Congratulations and best wishes to Commissioners Schroder and Butt for their valuable and dedicated service to their communities and to Contra Costa LAFCo!

ALAMEDA CONDUCTS MEASURE D STUDY

Submitted By Rachel Jones, Executive Officer, Alameda LAFCo

Alameda LAFCO recently conducted a special study regarding ballot Measure D that was passed in November of 2000 and did the following:

- Amending the County's Urban Growth Boundary
- Increasing restrictions on building intensity, minimum parcel sizes and permitted uses in rural areas of the County
- Establishing that all County planning policies and zoning regulations must be consistent with provisions of Measure D, and
- Mandating that any changes to the land use designations, building intensity or minimum parcel sizes as established by Measure D be subject to a new vote of the County electorate

The study's purposes were to review how Measure D has affected agricultural and open space lands and the surrounding communities, and to consider how implementation of Measure D has or has not met its own LAFCO policies pertaining to agriculture and open space. The study found that since the measure's passing, the agricultural and equestrian communities of Alameda County argue that the strict square footage limitations hinders their business performance. Alameda LAFCO recommended proposed amendments to the County to allow equestrian centers, greenhouses and wineries more flexibility in their building plans.

This November, Alameda County voters approved the recommended amendments on Measure D, or the "Save Agriculture and Open Space Lands" initiative, that aimed at increasing profits for agriculture business while simultaneously preserving the county's open land.

that we've already begun fielding questions from potential bidders.

The second large administrative undertaking for 2023 will be the website. We have known since March of this year that the platform on which our website has been built is being retired. So far, our vendor has been able to keep the website functioning at an increasing cost. However, the underlying computer language that it uses will not be supported at all after November, 2023. Given that we have no choice but to rebuild the website, it presents the ideal opportunity to upgrade it to an Association Management System (AMS) which will provide more features to the membership, while reducing some of the repetitive administrative things that Jeni does behind the scenes. We are currently in the process of comparing costs and features between available AMS systems and hope to be able to bring something before the Board in the first part of 2023.

While that's a lot, we're also planning for the Fall Conference. Our October event was so successful that I have already begun hearing from sponsors who are interested in the Monterey conference.

Beyond that administrative matrix, we also foresee a busy year for the Legislative Committee who will be working through some of the back-end things needed to get the GC 56133 proposal moving. Now that our new White Paper has been published ("Planning for a Sustainable and Predictable Future: Clarifying LAFco Authority to Determine Government Code Section 56133(e) Exemption Eligibility"), we can begin the process of reaching out to stakeholders.

Lastly, I am pleased to report that at its December 9th meeting, the Board approved an extension to my employment contract through June 30, 2026. I am gratified beyond measure at the faith they, and you, have placed in me and I hope to continue to be worthy of it in the years to come.

Hopefully, you can tell that I am exhilarated by the opportunities and prospects before us. While the year has been a bumpy one, it has led to good friendships, great partnerships, and the start of some wonderful things. I call that a winning year!

Happy Holidays to each of you! May the season ahead bring you love and laughter. May the year to come bring you prosperity and contentment. Happy New Year, everyone!!
