Dear Pamela,

On behalf of the Humboldt Local Agency Formation Commission, I would like to thank you for your many years of service to CALAFCO as Executive Director. Your fortitude, integrity, and commitment to this organization is a true inspiration to member LAFCo Commissioners, LAFCo staff, Associate Members, and partners.

We appreciate all your efforts to promote a broader understanding of LAFCo's important role and mission, including statewide coordination of LAFCo activities, serving as a resource to the Legislature and other bodies, and offering a structure for information sharing among the various LAFCos and other governmental agencies.

Under your guidance, CALAFCO has been able to expand its educational offerings and has been able to switch to an online format for trainings that allows more rural LAFCos and agencies, such as our own, to easily participate in these events and become a more active member of the CALAFCO family.

Your dedication and commitment throughout the years has been a true benefit in developing CALAFCO to what it is today, and you will certainly be missed by all.

Best wishes,

Virginia Bass, Chair
