**Subject:** RE: Agency Referral - Ferndale Fire Protection District Goodwill Response Area Annexation

Good afternoon,

In response to the email below received by our department on 7/2/2026, the County Planning and Building Department would like to request that the District coordinate with the appropriate County departments regarding the effective date of the annexation so permit referral procedures and County GIS boundary information can be updated.

Thank you,

Good Afternoon,

The Humboldt Local Agency Formation Commission (LAFCo) has received an application from the Ferndale Fire Protection District for annexation of its goodwill response area.

Please see attached referral that includes additional details regarding the application. We request that you provide any comments by July 31, 2026. Please reach out to me or Executive Officer Colette

Santsche if you have any questions.

Best Wishes,
